Volunteers provide English educational services to children in the Dominican Republic and Nicaragua

With the restrictions on international travel caused by Covid-19, our international service work converted to a completely virtual platform. Students involved in our program expanded from 2 countries (Dominican Republic and Nicaragua) to 11 countries located throughout Latin America. So the program services remained the same - education, primarily teaching English - but the delivery mechanism changed significantly. Our physical learning centers in the Dominican Republic and Nicaragua closed in April with the onset of Covid restrictions, and instead of our volunteers traveling to the Dominican Republic and Nicaragua, they taught virtually via Zoom. And our students attended class virtually, via Zoom
